Christmas and Holiday 2021

Welcome to our 2021 Christmas Seasonal Catalog.

We have worked enthusiastically for many months pulling our new collections together for you and your customers to enjoy!

There's something for everyone!

From the oh so sweet "Peppermint Swirl" that brings out the child in all of us, to the elegant "Christmas Couture", an elegant fashion look at the deep color tones of the Season, to "Oh, Deer - It's Santa", a nostalgic vintage flair for Santa and his Deer friends.

And of course we have added many new items to our highly successful "North Pole Sweet Shoppe", our fun Candy and Dessert collection that was a top retailing group.

We hope you view our collections and get inspired to make your stores magical and excite your customers.

Enjoy!
